Welcome to STAN TAMARKIN RARE CAMERA AUCTION'S 30th rare camera auction on Sunday, December 8, 2013 at our office at 270 Amity Road, Suite 125, Woodbridge, Connecticut.

Please read the General Instructions and the "Terms and Conditions of Sale".

GENERAL INSTRUCTIONS:

BUYER'S PREMIUM

There is a Buyer's Premium of 19.5% for floor, telephone, email, and fax bidders.

The Buyer's Premium for On-Line bidders is 22%.

CONDITION

All items are offered "as is." There is no return privilege, and all sales are final.

We have sought to express carefully in our catalogue a useful, general guide to the condition of each Lot. We have also attempted to describe any damage or restoration, but our descriptions cannot be accepted as absolutely definitive and complete. The absence of such a reference does not imply that a Lot is free from defects nor does any reference to particular defects imply the absence of others. Such information is given for guidance only and the condition of any Lot, and the nature and extent of any damage or restoration, should be confirmed by examination prior to the sale.

In terms of function, common sense should prevail. While we have tried to call attention to conspicuous mechanical or optical problems, one should assume that many of the Lots have seen little recent use and, therefore, have not recently been cleaned, lubricated, or adjusted. This means that many Lots, especially older cameras, might have shutter speeds and/or light meters that might need adjusting, and that lenses and other optical items might require lubrication and/or cleaning.

GUIDE TO RATINGS OF CONDITION

Mint	Like new. No signs of use or wear.
Near Mint	Only one or two insignificant signs of use.
Excellent ++	Excellent. Only very slight signs of use.
Excellent +	Better than average. Used, but not abused.
Excellent	Average condition, signs of normal use.
Very Good	Well-used but working.
Good	Heavily used
Poor	Bad condition. Probably only useful for parts.

ESTIMATES & RESERVES

The estimated prices in the catalogue descriptions are the approximate prices expected to be realized, excluding Buyer's Premium. They are prepared well in advance of the auction sale and are subject to revision. Furthermore, they are not definitive and meant only to represent general guidelines. Every item in the auction has a private "reserve" price.

INTERNET ON-LINE BIDDING

You will be able to bid, if you choose, in "real time" during the auction. Internet bidders pay a 22% Buyer's Premium.

BIDDING BY LETTER, FAX, OR E-MAIL.

We are pleased to make commission bids on your behalf. All e-mail/mail/fax bids must be received by 5:00 PM on Saturday, December 7, 2013.

Please state clearly your name, address, telephone numbers, fax numbers, date, e-mail address, credit card number (with expiration date and security code), and signature. Unless previous arrangements have been made, bids that are missing full credit card information will not be entered. Catalogues will include a bid sheet and a facsimile can be downloaded from our website.

Please list the lot number or numbers for which you would like to bid as well as your bid. Bidders will receive an invoice after the auction if their bids are successful.

Please note that all bids will be executed at the lowest possible price consistent with the Terms and Conditions of the auction. Stan Tamarkin Rare Camera Auctions will treat mail/fax/e-mail bids as the maximum price which the Buyer is willing to pay and will bid only enough to exceed the reserve price, or the next highest bid, at the normal auction interval.

VIEWING

All lots are available for inspection prior to the sale. Please note the viewing schedule. Our staff will attempt to answer questions and give advice, but the final decision to bid, and the amount to bid, is at your discretion and liability.

LOCAL TAXES

A 6.35% tax is due on all deliveries made in Connecticut. However, all lots that are delivered outside Connecticut are not charged any local taxes.

SHIPPING

All lots may be picked up at the end of the auction. Stan Tamarkin Rare Camera Auctions undertakes the shipment of auction purchases only as a courtesy to buyers. The Buyer pays freight and insurance costs and is normally charged the direct cost of the shipping plus a modest additional fee for packaging and handling. USA shipments are made by UPS or Fedex. Foreign shipments are made by insured USPS International Priority Airmail. Shipments by courier services like UPS, Fedex, and DHL are available by arrangement. Insurance is available for foreign shipments up to \$5,000 by USPS mail and, by special arrangements, up to \$75,000 by UPS, FedEx, or DHL. Note that some countries have limits of insurance and therefore the liability for shipments above a country's limit will lie with the Buyer. All risk of loss passes to the Buyer upon pick up by the delivery company.

PAYMENT

Payment can be made after the end of the sale, and, in any case, must be made within five (5) days after the close of the sale. Acceptable payment may be cash (In House Only), bank check, bank wire transfer, or credit card. (Acceptable credit cards are VISA or MASTERCARD or the equivalent.) We are unable to accept PayPal or American Express for auction purchases. All checks and other payments must clear before delivery of purchases unless prior arrangements have been made. Bank wire transfer details will accompany the auction invoices. Note that Stan Tamarkin Rare Camera Auctions is a division of Tamarkin Photographica, LLC.

The following provisions constitute the entire agreement by and between Stan Tamarkin Rare Camera Auctions, a division of Tamarkin Photographica, LLC (Tamarkin), the Consignor, and the Buyer and will govern the sale of all property sold through bidding at the Tamarkin auction to be conducted in Woodbridge, Connecticut on December 8, 2013.

1. BUYER'S COMMISSION

BUYERS WILL PAY TO TAMARKIN A COMMISSION OF **NINETEEN AND ONE-HALF PER CENT (19.5%)** OF BUYER'S WINNING BID PRICE. REAL-TIME INTERNET BIDDERS WILL PAY A COMMISSION OF **TWENTY-TWO PER CENT (22%)**. THIS COMMISSION IS PAYABLE IN ADDITION TO THE WINNING BID PRICE.

2. CONDITION OF PROPERTY

All property is sold "as is" without warranty or guaranty of any kind whether expressed, implied or statutory including without limitation any warranty or guaranty as to character, fitness for a particular purpose, merchantability, physical condition, or rarity. Prospective buyers must rely solely on their own inspection and knowledge before bidding to determine such issues as age, quality, character, physical condition, mechanical and electrical function and rarity.

There is no return privilege, and all sales are final.

The property being offered at the auction is mostly used and to be sold as collectors' items. Bidders should note that some lots have mechanical problems or optical problems. Buyers should assume that most lots have shutters in need of repair and/or light meters that are in need repairing or adjusting, and that most lenses and other optical items require lubrication and/or cleaning. Most of the cameras and lenses have not been recently used and have been sitting on a shelf in a camera collection. Moreover, the ratings below refer to cosmetic condition and are not meant to describe either mechanical or optical condition.

3. WITHDRAWAL OF PROPERTY

The Buyer shall be the highest bidder. Tamarkin may reject any opening bid he deems too low and withdraw the property from sale.

Likewise in the course of bidding he may reject any advance as being too low. Generally, Tamarkin will require that all bids advance the price by not less than 10%. All items of property will be sold with a reserve which may be confidential. Tamarkin may bid on behalf of the Consignor to effectuate the reserve.

Responsibility for bidding is ultimately the prospective Buyer's and Tamarkin assumes no responsibility or liability with regard to bidding.

6. POSSESSION, TITLE AND RISK OF LOSS

Buyer will receive possession of the property only when payment has been made in full and all funds have cleared. Title and risk of loss or damage will pass to the Buyer when the Buyer has made full payment and the purchase is shipped.

7. TERMS OF PAYMENT AND REMEDIES

Buyer agrees to pay for property within five (5) days of sale. Payment must be made in U.S. Dollars (\$) and may be made in any one of the following:

- A. bring an action against Buyer seeking damages for breach of contract including court costs and attorneys fees.

- C. resell the property at auction or private sale and bring an action to recover any deficiency between (i) full amount owed by Buyer plus court costs and attorneys fees and (ii) the net proceeds, after payment of all expenses, received from the resale. If there is a surplus, the surplus will be paid to Consignor.
- D. store the property and release it to Buyer only upon payment of the full purchase price plus all direct and indirect costs of storage.
- E. to charge interest at 18% per annum commencing immediately after failing to pay on time.

8. SALES AND USE TAX

The total purchase price of all property will be subject to all sales or use tax which Tamarkin is obligated by law to collect.

The tax due on deliveries in Connecticut is 6.35%.

Tamarkin is not obligated to collect tax on any item that is delivered outside the state of Connecticut.

9. TERMS OF ADHESION
