Welcome to TAMARKIN PHOTOGRAPHICA'S
27th rare camera auction on Sunday,
October 30, 2011 at our office at 270 Amity
Road, Suite 125, Woodbridge, Connecticut.

Please read the General Instructions and the
“Terms and Conditions of Sale”.

GENERAL INSTRUCTIONS:

BUYER'S PREMIUM

There is a Buyer's Premium of 19.5%. Bidders who bid at “real-time” on the internet pay a 22% Buyers Premium which defrays our additional internet bidding expenses.

CONDITION

All items are offered “as is.” There is no return privilege, and all sales are final.

We have sought to express carefully in our catalogue a useful, general guide to the condition of each Lot. We have also attempted to describe any damage or restoration, but our descriptions cannot be accepted as absolutely definitive and complete. The absence of such a reference does not imply that a Lot is free from defects nor does any reference to particular defects imply the absence of others. Such information is given for guidance only and the condition of any Lot, and the nature and extent of any damage or restoration, should be confirmed by examination prior to the sale.

In terms of function, common sense should prevail. While we have tried to call attention to conspicuous mechanical or optical problems, one should assume that many of the Lots have seen little recent use and, therefore, have not recently been cleaned, lubricated, or adjusted. This means that many Lots, especially older cameras, might have shutter speeds and/or light meters that might need adjusting, and that lenses and other optical items might require lubrication and/or cleaning.

GUIDE TO RATINGS OF CONDITION

Mint	Like new. No signs of use or wear.
Near Mint	Only one or two insignificant signs of use.
Ex++	Excellent. Only very slight signs of use.
Ex+	Better than average. Used, but not abused.
Ex	Average condition, signs of normal use.
Very Good	Well used but working all right.
Good	Heavily used
Poor	Bad condition. Probably only useful for parts.

ESTIMATES & RESERVES

The estimated prices in the catalogue descriptions are the approximate prices expected to be realized, excluding Buyer's Premium. They are prepared well in advance of the auction sale and are subject to revision. Furthermore, they are not definitive and meant only to represent general guidelines. Every item in the auction has a private “reserve” price.

INTERNET BIDDING

You will be able to bid, if you choose, in “real time” during the auction. Internet bidders pay a 22% Buyer's Premium.

BIDDING BY LETTER, FAX, OR E-MAIL.

We are pleased to make commission bids on your behalf. All e-mail/mail/fax bids must be received by **5:00 PM on Saturday, October 29, 2011.**

Please state clearly your name, address, telephone numbers, fax numbers, date, e-mail address, credit card number (with expiration date and security code), and signature. Unless previous arrangements have been made, bids that are missing full credit card information will not be entered. Catalogues will include a bid sheet and a facsimile can be downloaded from our website.

Please list the lot number or numbers for which you would like to bid as well as your bid. Bidders will receive an invoice after the auction if their bids are successful.

Please note that all bids will be executed at the lowest possible price consistent with the Terms and Conditions of the auction. Tamarkin Photographica will treat mail/fax/e-mail bids as the maximum price which the Buyer is willing to pay and will bid only enough to exceed the reserve price, or the next highest bid, at the normal auction interval.

VIEWING

All lots are available for inspection prior to the sale. Please note the viewing schedule. Our staff will attempt to answer questions and give advice, but the final decision to bid, and the amount to bid, is at your discretion and liability.

LOCAL TAXES

A 6.35% tax is due on all deliveries made in Connecticut. However, all lots that are delivered outside Connecticut are not charged any local taxes.

SHIPPING

Buyer Pays Shipping Cost. Buyer is charged the direct cost ***plus a modest additional fee for packaging and handling.*** USA shipments are normally made by insured UPS. Foreign shipments are normally made by insured airmail International Priority or by insured Express Air Post (EMS). Insurance is available for foreign shipments up to \$5,000 by US mail and, by special arrangements, up to \$75,000 for UPS. Note that some countries have limits of insurance and therefore the liability for shipments above a country's limit will lie with the Buyer.

PAYMENT

Payment can be made after the end of the sale, and, in any case, must be made ***within five (5) days*** after the close of the sale. Acceptable payment may be cash (In House Only), bank check, bank wire transfer, or credit card. (Acceptable credit cards are VISA or MASTERCARD or the equivalent.)

All checks and other payments must clear before delivery of purchases unless prior arrangements have been made.

Bank wire transfers may be made to:

TERMS AND CONDITIONS OF SALE

The following provisions constitute the entire agreement by and between Tamarkin Photographica, L.L.C. (Tamarkin), the Consignor, and the Buyer and will govern the sale of all property sold through internet bidding at the Tamarkin auction to be conducted in Woodbridge, Connecticut on October 30, 2011.

1. BUYER'S COMMISSION

BUYERS WILL PAY TO TAMARKIN A COMMISSION OF ***NINETEEN AND ONE-HALF PER CENT (19.5%)*** OF BUYER'S WINNING BID PRICE. REAL-TIME INTERNET BIDDERS WILL PAY A COMMISSION OF ***TWENTY-TWO PER CENT (22%)***. THESE COMMISSIONS ARE PAYABLE IN ADDITION TO THE WINNING BID PRICE.

2. CONDITION OF PROPERTY

All property is sold “as is” without warranty or guaranty of any kind whether expressed, implied or statutory including without limitation any warranty or guaranty as to character, fitness for a particular purpose, merchantability, physical condition, or rarity. Prospective buyers must rely solely on their own inspection and knowledge before bidding to determine such issues as age, quality, character, physical condition, mechanical and electrical function and rarity.

There is no return privilege, and all sales are final.

The property being offered at the auction is mostly used and to be sold as collectors' items. Bidders should note that some lots have mechanical problems or optical problems. Buyers should assume that most lots have shutters in need of repair and/or light meters that are in need repairing or adjusting, and that most lenses and other optical items require lubrication and/or cleaning. Most of the cameras and lenses have not been recently used and have been sitting on a shelf in a camera collection. Moreover, the ratings below refer to cosmetic condition and are not meant to describe either mechanical or optical condition.

3. WITHDRAWAL OF PROPERTY

Tamarkin and Consignor reserve, in their unfettered discretion, the right to withdraw any property from auction before sale.

4. DISPUTES

Any disputes between bidders shall be resolved by the Tamarkin who may re offer and resell any property over which there is a dispute.

5. BIDS, REJECTION AND RESERVES

The Buyer shall be the highest bidder. Tamarkin may reject any opening bid he deems too low and withdraw the property from sale.

Likewise in the course of bidding he may reject any advance as being too low. Generally, Tamarkin will require that all bids advance the price by not less than 10%. All items of property will be sold with a reserve which may be confidential. Tamarkin may bid on behalf of the Consignor to effectuate the reserve.

Responsibility for bidding is ultimately the prospective Buyer's and Tamarkin assumes no responsibility or liability with regard to bidding.

6. POSSESSION, TITLE AND RISK OF LOSS

Buyer will receive possession of the property only when payment has been made in full and all funds have cleared. Title and risk of loss will pass to the Buyer when the Buyer has taken possession of the property.

7. TERMS OF PAYMENT AND REMEDIES

Buyer agrees to pay for property within five (5) days of sale. Payment must be made in U.S. Dollars (\$) and may be made in any one of the following: cash (In House Only), check, credit card, debit card, bank draft or bank wire transfer. Purchased property will not be released to the Buyer until payment in full has cleared.

In the event Buyer fails to pay for property, Tamarkin may in its sole discretion and in addition and without prejudice to any other right or remedy available to it in law or equity, exercise one or more of the following rights and remedies:

- bring an action against Buyer seeking damages for breach of contract including court costs and attorneys fees.
- rescind the sale of the property or any other lot sold to the Buyer.
- resell the property at auction or private sale and bring an action to recover any deficiency between (i) full amount owed by Buyer plus court costs and attorneys fees and (ii) the net proceeds, after payment of all expenses, received from the resale. If there is a surplus, the surplus will be paid to Consignor.
- store the property and release it to Buyer only upon payment of the full purchase price plus all direct and indirect costs of storage.
- to charge interest at 18% per annum commencing immediately after failing to pay on time.
- to retain any other lot sold to Buyer at auction.
- to apply any amount owing from Tamarkin to Buyer against the purchase price and all expenses due and owing by Buyer to Tamarkin. Tamarkin is likewise be deemed to have a security interest in any property of the Buyer in Tamarkin's possession to secure payment of the purchase price and all expenses due and owing from Buyer to Tamarkin.
- to apply any payment made by Buyer to Tamarkin for any purpose and despite any instructions by Buyer as to application, against the purchase price and all expenses due and owing.

8. SALES AND USE TAX

The total purchase price of all property will be subject to all sales or use tax which Tamarkin is obligated by law to collect.

The tax due on deliveries in Connecticut is 6.35%.

Tamarkin is not obligated to collect tax on any item that is delivered outside the state of Connecticut.

9. TERMS OF ADHESION

By bidding at the auction, the Buyer acknowledges and agrees:

- that the foregoing terms and conditions will represent the entire agreement of the parties, provided that the terms may be altered or amended by Tamarkin prior to or at the time of auction by oral or written announcement or posted notice.
- that the rights and obligations of the parties will be construed and governed by the law of the State of Connecticut.
- that jurisdiction for the resolution of any dispute between the parties related to the auction, will be exclusively in the State of Connecticut and consents to the jurisdiction of the Connecticut State Courts and federal court for the District of Connecticut.

10. LIMITATION OF LIABILITY

Tamarkin's and Consignor's liability to a Buyer shall not exceed the purchase price actually paid.

11. TAMARKIN AS AGENT ONLY

Except as otherwise specifically stated in writing, Tamarkin is acting only as an agent for the Consignor. Tamarkin will have no liability for any breach by either a Consignor or Buyer.

268. “The Hemingway Leica” owned by Ernest Hemingway, famous American Nobel Prize-winning author.

A Leica IIIf Red Dial Selftimer with 50mm Summicron f2 Nr. 1255243 in a water-tight case MBROO. Nr. 791842. As is well known, Ernest Hemingway was an avid sportsman who loved hunting and fishing and boating. He spent his leisure time divided between Ketchum, Idaho, Key West, Florida, and Havana, Cuba.

The Hemingway Leica was a gift, during an African trip, from Hemingway to his friend, Edison Marshall (1894-1967), a novelist specializing in adventure stories and, in 1921, an O’Henry First Prize-winning short story writer. The Leica then passed after his death from his friend, Dr. Pomeroy Nichols (1932-2002) of Augusta, Georgia, a neurosurgeon and, also, an amateur big game hunter, to Frank Christian, Sr. of Augusta, a local professional photographer, official photographer of The Masters Golf Tournament and of the Augusta National Golf Club, and founder of the Leica Collectors International (LCI), a precursor of Leica clubs that have since spread throughout the world. (It was Christian who had bought the Leica collection of James Forsyth, the collector who tried to launch the Barnack League and who had been the owner, after Barnack’s son, of Barnack’s own Null-Serie Leica Nr. 105.)

Eventually Christian traded the Hemingway Leica to Burns Stanley of Detroit, Michigan, tax lawyer for the Ford Motor Company and a well-know Leica collector who also was a founder of LCI. Stanley also received from Christian one of the five existing busts of Oskar Barnack and a copy of Oskar Barnack’s baptismal certificate. (The photo copy is included in this lot as is all the correspondence.)

RARE & UNUSUAL

The Hemingway Leica has some rub marks on the top. The lens has cleaning marks and some interior corrosion. Included in the provenance material is a letter and long memo regarding Leica Nr. 105 “The Barnack Leica”, a camera owned by Barnack’s son, James Forsyth, and then Christian, and finally meant to be equally shared by founders of the Leica Historical Society, a matter of an interesting contention among certain very early Leica collectors.
